### Data Collection on This Website

#### Who is responsible for data collection on this website?

Data processing on this website is carried out by the website operator. You can find their contact details in the section “Information on the responsible party” in this privacy policy.

#### How do we collect your data?

Your data is collected in part when you provide it to us. This may include data you enter into a contact form.

Other data is collected automatically or after your consent when you visit the website by our IT systems. These are primarily technical data (e.g., internet browser, operating system, or time of page access). This data is collected automatically as soon as you enter this website.

#### What do we use your data for?

Some of the data is collected to ensure error-free provision of the website. Other data may be used to analyze your user behavior.

#### What rights do you have regarding your data?

You have the right at any time to receive free information about the origin, recipient, and purpose of your stored personal data. You also have the right to request correction or deletion of this data. If you have given consent to data processing, you can revoke this consent at any time for the future. You also have the right, under certain circumstances, to request restriction of the processing of your personal data. Furthermore, you have the right to lodge a complaint with the competent supervisory authority.
